TIME FOR A
Tune-Up!

Brandon began working at Roger's Tune-Up in September of 2016, where he was hired to do clean up and assist with installing breathalyzers. Brandon's employer was so impressed with his work, he told Brandon that if he got his Driver's License, he would accept Brandon as an apprentice and train him to become a certified mechanic.

Brandon was determined to become an apprentice, so he studied the driver's manual and attended driving classes at UCC with the support of Vocational Rehabilitation. In March 2018, Brandon obtained his driver's license, and is now working as an apprentice.

Currently, he is performing oil changes and installing breathalyzers independently, and expanding his knowledge with the help of his job coach.

SPECIAL THANKS

to everyone who supported our Douglas County

"Pie in the Eye 2018"

We were able to raise **\$138** for customer activities!!
